COUNTY TOURNAMENT TO BE HELD HERE

The Summit County Class B basketball tournament for boys will this year be held at Springfield High. The plans are to play the first bracket on Wednesday night, February 21, the second on Thursday night, and the winners of these games to meet on Friday night.

Semi-finals will be played on Saturday afternoon, and finals and consolation on Saturday night.

Three teams will represent Summit County in the Kent District tournament.

Springfield boys, being Class A, can only play in a Class A tournament.

TEAMS PLAY GREENSBURG TONIGHT

All roads lead to Greensburg tonight. There two undefeated girls' teams will fight it out for county honors. The Greensburg girls have dropped Clinton, Bath, Stow and Tallmadge. The local tossers have topped Tallmadge, Stow, Twinsburg, Norton and Mogadore.

The boys' game should end in Springfield's favor, judging by past results.

ELLET HIGH COMES SATURDAY NIGHT

Ellet and Springfield boys' teams will lock horns again when Ellet comes to the local court tomorrow night for two boys' games, varsity and reserves.

To date Ellet has won but one game in six starts, while the Red and Grays have lost two out of five.

Coach Workman and his boys are intending to get revenge for the 6-0 football score in Ellet's favor last fall.

The reserves game will start at 7:30.

CHAMPIONSHIP GAME NEXT WEEK?

Next Friday, if nothing happens,-- such as an unexpected defeat at Greensburg tonight-- Springfield and Northfield girls may meet on the local court in the deciding game for county league championship.

Both of these teams have plenty of strength and ability. If any team can stop the Northfield aggregation, the Springfield lassies believe they can do it.

But Northfield says, "You can't do that!" So-----time will tell.

Don't forget--next Friday, Jan. 26.

FRESHIES LEAD IN INTRA-MURALS

Both freshman teams are leading in the intra-murals being played this month. Today the girls, coached by M. Markle, defeated the juniors, coached by Lucille Walker 10 to 5.

SUCCESS

Success and Opportunity

You are the sculptor of your own existence.

The goal you set is the model by which work and the present is the day with which you are ever working--molding your tomorrow by your deeds of today.

You can't remodel the past--the future is yours to anticipate--but NOW is your time--and my time--to shape as we will.

An existence which is molded correctly bears to its sculptor many opportunities.

That intangible and mysterious thing called Opportunity about which so many essays have been written, so many sermons preached, and so many poems inspired is not a stranger who comes and knocks at our door in disguise--not a winged meteor that spreads its flaring stream of light across the heavens when least expected and not an archangel that suddenly awakens us from our sleep to bring good tidings.

Opportunity is just plain home folk.

It's as constant as the shadows that walk with us, and is always present in our affairs--regardless of vocation, position or circumstances.

Opportunity is not what may come to us tomorrow but what we make out of today.

--June Collins

THIS AND THAT

--James Shepherd

One person out of one hundred thousand live to celebrate their one hundredth birthday.

Not much wonder antiques cost like they do.

Ed. Manley: I always like to add a spice of danger to everything I undertake.
Lestel G.: Is that why you insist on eating with your knife.

If one oyster grew to maturity it would lay 60,000,000 eggs and if they were all to live in three generations there would be 66,000,000,000,000,000,000,000,000,000. What a reunion or an oyster supper.

This was found in the back of a History book that belonged to a Senior of 32. Make a list of all things we should review.

Then she went off on a tangent.

Dappy--a person with a highly developed cerebium but an unexercised cerebellum.---What man in History does this represent.

Mr. Hadfield: How large is Greece.

NOTICE

Better pay your library fines now to prevent delay in receiving your report cards after examinations. See the librarians.

HONOR STUDENTS' NAMES OMITTED

In the last issue of "SPRAG", it was necessary to omit several names from the honor roll. They will be found elsewhere in this issue.

HAROMANO NEWS

Haromano has decided that hereafter the meetings will be held at the homes of the different members instead of at the high school building.

Rough initiation for new members entering the club will be held on February 6 at the home of Vivian Harvey.

The club is purchasing two large mirrors for the girls' rest rooms.

COUNTY ORCHESTRA PICTURE IS GOOD

A proof of the picture taken at the Music Festival may be seen at the county superintendent's office.

The picture is exceedingly clear. It may be purchased from the Quality Photo Shop, Akron, for 35¢ unmounted, or 50¢ mounted.

Principals of the various schools will handle the orders.

MUSIC FESTIVAL MAKES PROFIT OF 67¢

The county music committee met last week to settle all bills and to report on same. The receipts and expenditures are as follows:

Music for orchestra	\$30.98
Rental of schools	10.00
Tuning two pianos	6.50
Tickets	4.75
	<hr/> 52.23

With gross receipts amounting to \$52.90, there is left a balance of just 67¢. Mr. Kurinsky, therefore, will receive nothing for his services but thanks.

TEACHERS RECEIVE WEEK'S PAY

Springfield township teachers and other employees of the board of education this morning received a check for one week's pay.

This leaves them just one month in arrears on salary payments for the year.

Practically all teachers voted last week to continue to the end of the year despite the financial circumstances of the board.

SPRINGFIELD GIRLS DOWN TWINSBURG

The Springfield girls broke the record of the Twinsburg girls team in not being defeated on their home floor in three years, defeating them on Friday, Dec. 22 by the score of 24 to 18. Mary Katherine Pryor made 18 points in this game.

The boys suffered their first defeat of the season,--the second in more than two years, losing to the rangy and fast Twinsburg five 33 to 25. Eddie Cochran's sensational shooting was a feature of the game but wasn't enough to save the game.

ALUMNI RETURN FOR GAMES

The Springfield stars of former years banded together and journeyed to the high school on Saturday, Dec. 30, to play the present varsity squads. The girls' game ended in a 20 to 13 victory for the varsity.

The boys game, one of the fastest seen this year, resulted in a 44-36 victory for the varsity.

Following the games, the alumni and their friends enjoyed a dance on the gym floor. This will be an annual occasion hereafter, it is planned.

SPRINGFIELD AND UNIONTOWN SPLIT

In the two boys' games played during vacation, Friday, Dec. 29, the visiting second team defeated the Springfield reserves 24-21 in a thrilling contest. The Red and Gray varsity boys, however, evened matters with a one-sided 50-12 victory. Miller was high with 11 points.

SPRINGFIELD SWAMPS NORTON

Springfield's lassies won their third league game over the Norton girls on Jan. 5, by a 28-12 rout.

In the boys' game, Springfield tallied 61 points to Norton's 10, Morris leading with 23 points.

Norton was playing without Zellia, and Springfield without Manley, both high scorers on their respective teams.

BOOSTER

I want to be a Booster
For dear old S. H. S.
Please read my application
And answer "no" or "yes".

I'll try to be a Booster
In fact as well as name
I'll cheer with all the rooters
At every single game.

I'll be a friend to visitors
I'll make them glad they've come,
I'll never sanction rudeness
No matter where it's from.

I'll boost all high school functions
Games, contests, shows and plays.
I'll work with other Boosters
Our standards high to raise.

And should I fail to function
As a booster good and true,
I'll let my name be cancelled
I think that's fair, don't you?
