### JUNIOR CLASS SAYS "NUTS TO YOU"

If you have ever wondered as to the origin of the above expression, perhaps you can be enlightened by attending the Junior Class Play, "NUTS TO YOU" tonight.

The class has worked hard by spells, and expects to present one of the best comedies of all time.

Miss Lillias Bissel is directing the production.

The curtain rises at 8PM.

Tap Dancing by little Miss Blanche Verling Douglas will be featured between the acts.

### MORE SUBSCRIPTIONS NEEDED

With but approximately 200 subscriptions as yet recorded, the Annual Staff reports that it will be unable to live up to its original plans for a larger Red and Gray than last year.

Advertising managers report fine success in their part of the financing program.

Isn't there a possibility of securing at least 100 more subscriptions in this school and community?

Better order now, as only the number subscribed for will be ordered from the printer. Only 25¢ down.

### ALUMNI TO PRESENT PLAY

For the benefit of the graduating class of 1935, the Alumni Association will present the play, "Mammy's Li'l Wild Rose" on Friday evening, April 26. Proceeds will be used for the annual Alumni Banquet.

The Freshman Frolics, presented before the assembly on Friday, March 15, was voted by all who attended as one of the finest

### THREE GLEE CLUBS AND THREE ORCHESTRAS IN EACH PROGRAM.

Music lovers of Summit County as well as those who are interested in seeing the work done in music in the various high schools will have an opportunity to see the student musicians and vocalists in action next week.

The first music contest ever staged in the county will be held this year--replacing the All-county orchestra of last year.

On Wednesday night the schools in the southern section--Coventry, Greensburg, Springfield, and Norton, will compete at the Springfield auditorium.

On Friday night, those of the northern part of the county will meet at Northfield.

The public is urged to attend this fine program. A small admission fee of 10¢ and 15¢ is being charged to meet the expenses of the judges, and incidental expenses.

Two numbers will be sung by each glee club and one will be rendered by each orchestra.

Interspersed among the contest numbers will be a violin solo by Kathryn Jones of Coventry, a flute solo by Marion Strutt of Springfield, and songs by the Boys Glee club of Tallmadge high.

Winners of each contest will be determined on a point system and will be announced at the end of the Northfield program.

### BENNIS GRABLE READY FOR ORATORICAL CONTEST

With his oration, "America's Democracy of Bad Manners", Bennis Grable, popular Junior of Springfield, will participate in the southern section oratorical contest at Norton high Friday night.

#### SCHOOL LOYALTY

The last basketball season was a good one for Springfield. We were proud of our varsity team. We found it easy to cheer when we were sure of a victory. Undeclared! It is a title to be proud of. When loyalty to the school is spoken of we seem to think of it in terms of sportsmanship. It is easy to be loyal when loyalty means simply sitting in the cheering section and cheering.

But that is not the only or the best kind of loyalty. We can be loyal to our school by respecting and preserving its property. We can uphold its rules and regulations instead of opposing and disobeying them. We can be honest in our school work and other dealings. We can do our best in each day's tasks and be loyal by taking pride in improving the scholarship in our school.

Perhaps this kind of loyalty does not make as great a show as does the cheering at a game, but it counts as nothing else will. Be loyal to Springfield!

## SPRINGFIELD HAS SPRING FOOTBALL

Forty-three candidates assigned to us. They were meant to be a place where we could put our first call for spring football last clothing, books, pencils, and other Monday evening. articles in safety. Evidently some

Those returning from last year's squad include Earl Lee, then, because everyday, one or more persons report that something has been turned up lost, never to be found. Not only small things like pencils and compasses, but also books, money, and valuable fountain pens are taken. Some of us have locks

Some of the more promising new candidates are Jack Mellion, as many more persons who don't. Even these are not always a certain means of protection, because they can be opened by someone who has learned the combination. They key can be opened with a small piece of wire, and sometimes one key fits many locks.

There is a host of other boys of all sizes out in uniform, among whom may be the future football stars of S. H. S. with more development.

Several fine eighth grade boys are known to be in Roosevelt and Sawyerwood schools but these have not as yet appeared for practice.

The prospects for a winning team next year are only fair, according to the coach, but he has hopes that the spring football practice will do much toward developing a working combination.

James Hughes appeared in the library with a library withdrawal slip reading:
